HEAT AND SOUND INSULATION | OUR PARTNERS

Mappy Italia is the leading company in acoustic and thermal insulation, boasting over 35 years of experience. The company was founded in 1974 and over the years has managed to become a solid company due to the intuition and technical ability of its richly experienced chemical-plastic industrial technicians.

Ever since, **FIBRAN SA** has been designing and manufacturing products and solutions for the thermal insulation, acoustic insulation and fire protection in building, industrial and marine applications.

CHABAUD SAS is an European manufacturer that offers a wide range of paints, technico-waterproofing paints and ETIS System (External, thermal insulation system), offering decennial warranties.

LLUMAR glass coatings allow the sun to light up the room, while minimizing heat transfer and glare. Keep your house warm in winter and cool in the summer with LLumar.
